Music News

Congratulations to Keegan B. on his acceptance to O'Neill's Performing Arts Program for the 2020-2021 school year! An exceptional flutist & pianist, Keegan consistently goes beyond the expectations in our music program here at Coronation. We are very proud of his hard-work and focus on achieving this goal.

Our "The Lion King Jr." design crew continue to be in need of newspapers. If you are able to send in newspapers, please have your child bring them to the Music Room. Thanks!

Cast members of "The Lion King Jr." are reminded to continue to read & rehearse their lines during their personal time. We continue to remain hopeful that rehearsals will resume in the near future.

Despite the pause, our motto is "the show must go on!"

Families of Gr.4-6 students are reminded to sign the Theory Quiz and have your child return it to Mrs. Cameron in the Music Room. Opportunities to "bump up" grades continue to be available

We are a Nut, Dairy and Latex Aware School

A reminder that we have severe nut, dairy and latex allergies within our school. Please pack items that are nut, dairy and latex free to ensure the safety of all of our students and staff. There are a number of school safe suggestions on our school website at: <https://coronation.ddsb.ca/en/our-school/allergies.aspx>. Thank you for ensuring the safety of all our students and staff.

Dressing for the Weather

A reminder to please ensure that your child is dressed for the weather. The weather has been unpredictable, but it is winter, please send your child with warm clothing. Having your child bring extra socks and mitts is always a good idea! We have kids arriving for school with no mitts, no hats or winter boots. If we can help with any of these, please let us know.

Updated Contact Details

It is very important for the office to have current contact numbers on file in case of an emergency. Every September, we ask you to review your student's verification form via the parent portal. If any changes occur after this update, you must contact the office, as you can no longer change online. We are in the process of determining who did not complete the verification process online and will be sending home a paper copy of the verification form.

School Parking Lot

We have very few parking spaces for staff, **NO PARKING** in the school parking lot but instead drop off students at our school kiss and ride, park at Woodview Park or walk your child to school. Our student

and staff safety is important to us. A reminder that Kiss and Ride is **not staffed until 8:55 a.m.** Please arrive at 8:55 a.m. or later when dropping your child off at Kiss and Ride.

Signing out Your Child and After School Arrangements

At the end of the day, the office is extremely busy. If your child must be signed out early for an appointment, please sign them out before 3:30 p.m. We will **NOT** be signing out students after 3:30 p.m. If you need to communicate special pick up arrangements with your child's teacher, please write a note in your child's agenda for the teacher or call the school before noon. It is not possible for our office staff to communicate all the special arrangements with each teacher at the end of the day. It is also very disruptive to classes.

Out-of-Area Students

The Durham District School Board allows for students to attend a school other than the one in their own catchment area, provided there is space, and that permission is granted by the Principal and Area Superintendent.

Application for Out of Area status must be made each year and expires at the end of the current school year. Renewal of status for the 2020/2021 school year is now due and we ask that you submit your application by **March 12, 2020**. Those families who are here out of area, must reapply yearly as attendance at Coronation is not guaranteed.

Success – student practice questions

Set high expectations and provide support to ensure all students and staff reach their full potential every year.

Parent/Caregiver Workshop

Challenging Behaviour: "Taming the Tantrum"

Parents and caregivers are invited to a session on "Taming the Tantrum"

Behaviour can be understood as a form of communication.

In this session, presenters will explain the benefits of understanding a child's communication to address challenging behaviours.
