## Information Items

Identify future leaders,  
actively develop new  
leaders and responsibly  
support current leaders.

leadership

### Grade 7 and 8 Students Going out for lunch

Please write a dated note if you are allowing your child to leave school property for lunch

i.e. February 18, 2020

I am allowing (child's name) to go out for lunch to Tim Horton's today.

(print and sign your name at the bottom of the note)

If you are allowing your child to go out for lunch until the end of the school year (this eliminates the need to write a note each day), please write a dated note as follows:

Date

I allow (child's name) to go out for lunch until June 25, 2020.

(print and sign your name)

### Music News

Congratulations to Grade 8 students Bearett L. (tenor sax) and Jessica A. (vocal & drama) on their successful auditions and acceptance to O'Neill's Performing Arts Program for the 2020-2021 school year! These exceptional musicians consistently go beyond the expectations in our music program here at Coronation. The O'Neill P.A. Program is the perfect place for them to continue to flourish with their musical talent and abilities. We are very proud of their hard-work and focus on achieving their goal.

### We are a Nut, Dairy and Latex Aware School

A reminder that we have severe nut, dairy and latex allergies within our school. Please pack items that are nut, dairy and latex free to ensure the safety of all of our students and staff. There are a number of school safe suggestions on our school website at: <https://coronation.ddsb.ca/en/our-school/allergies.aspx>. Thank you for ensuring the safety of all our students and staff.

### Dressing for the Weather

A reminder to please ensure that your child is dressed for the weather. The weather has been unpredictable, but it is winter, please send your child with warm clothing. Having your child bring extra socks and mitts is always a good idea! We have kids arriving for school with no mitts, no hats or winter boots. If we can help with any of these, please let us know.

### Updated Contact Details

It is very important for the office to have current contact numbers on file in case of an emergency. Every September, we ask you to review your student's verification form via the parent portal. If any changes occur after this update, you must contact the office, as you can no longer change online. We are in the process of determining who did not complete the verification process online and will be sending home a paper copy of the verification form.

## School Parking Lot

We have very few parking spaces for staff, **NO PARKING** in the school parking lot but instead drop off students at our school kiss and ride, park at Woodview Park or walk your child to school. Our student and staff safety is important to us. A reminder that Kiss and Ride is **not staffed until 8:55 a.m.** **Please arrive at 8:55 a.m. or later when dropping your child off at Kiss and Ride.**

## Signing out Your Child and After School Arrangements

At the end of the day, the office is extremely busy. If your child must be signed out early for an appointment, please sign them out before 3:30 p.m. We will **NOT** be signing out students after 3:30 p.m. If you need to communicate special pick up arrangements with your child's teacher, please write a note in your child's agenda for the teacher or call the school before noon. It is not possible for our office staff to communicate all the special arrangements with each teacher at the end of the day. It is also very disruptive to classes.

## Out-of-Area Students

The Durham District School Board allows for students to attend a school other than the one in their own catchment area, provided there is space, and that permission is granted by the Principal and Area Superintendent.

Application for Out of Area status must be made each year and expires at the end of the current school year. Renewal of status for the 2020/2021 school year is now due and we ask that you submit your application by **March 12, 2020**. Those families who are here out of area, must reapply yearly as attendance at Coronation is not guaranteed.

## Success – student practice questions

Set high expectations and provide support to ensure all students and staff reach their full potential every year.

Success

### Primary Question

A fact family with one missing number sentence is shown below.

|               |
|---------------|
| $26 - 7 = 19$ |
| $19 + 7 = 26$ |
| ?             |
| $7 + 19 = 26$ |

Which of the following is the missing number sentence?

$26 + 19 = 45$

$26 - 19 = 7$

$19 - 7 = 12$

$26 + 7 = 33$

### Junior/Intermediate Question

Mr. Scott plans a class trip for the 30 students in his class. He must pay the following costs per student:

- admission: \$3.80
- bus: \$10.40
- snack: \$5.55
- supplies: \$7.31

Round the costs to the nearest dollar and use them to estimate the total cost for the 30 students.

Show your work.

## Well-Being – Things to do in Durham Region

Create safe, welcoming,  
inclusive learning spaces  
to promote well-being for  
all students and staff

*well-being*

Looking for some things to do in the area with your child, check out this link:

<https://childslife.ca/events/category/durham-region-kids-events/>

Lots of great activities that involve the outdoors.
