## Information Items

Identify future leaders,  
actively develop new  
leaders and responsibly  
support current leaders.

### Vandermeer Nursery Fundraiser

We will be rolling out a Spring Flowers fundraiser through Vandermeer Nursery just in time for Easter. All money raised will go towards purchasing innovative library furniture that will benefit all of our students. Brochures will be distributed before March Break and orders are due back Monday, March 23<sup>rd</sup>.

### Lost and Found

Once again, we have an overwhelming number of lost and found items. If your child is missing anything, please encourage them to visit our lost and found located in the front lobby. All items remaining will be donated right before March Break.

### Dogs On School Property

A reminder that dogs are now allowed on school property. Please keep your pets at home if you are walking your child to school.

### Staff Parking Lot

Please do not use the staff parking lot. It has just enough space for our staff to park and is a safety concern to our students when cars are pulling in and out. Thank you for dropping off or picking up your child at our kiss and ride. The traffic by-law officer has been contacted and will be ticketing anyone parking in the lot who isn't a DDSB employee. A reminder that Kiss and Ride is **not staffed until 8:55 a.m.** Please arrive at 8:55 a.m. or later when dropping your child off at Kiss and Ride.

### Music News

Cast & Chorus members of "The Lion King Jr." received a notice home on Thursday to update the status of this year's musical. Families are asked to review this notice with their children. The notice will also be posted on our Coronation Music Website at [www.coronation-music.weebly.com](http://www.coronation-music.weebly.com) for all other members of our community to view.

### Dressing for the Weather

A reminder to please ensure that your child is dressed for the weather. The weather has been unpredictable, but it is winter, please send your child with warm clothing. Having your child bring extra socks and mitts is always a good idea! We have kids arriving for school with no mitts, no hats or winter boots. If we can help with any of these, please let us know.

## Updated Contact Details

It is very important for the office to have current contact numbers on file in case of an emergency. Every September, we ask you to review your student's verification form via the parent portal. If any changes occur after this update, you must contact the office, as you can no longer change online. We are in the process of determining who did not complete the verification process online and will be sending home a paper copy of the verification form.

## Signing out Your Child and After School Arrangements

At the end of the day, the office is extremely busy. If your child must be signed out early for an appointment, please sign them out before 3:30 p.m. We will **NOT** be signing out students after 3:30 p.m. If you need to communicate special pick up arrangements with your child's teacher, please write a note in your child's agenda for the teacher or call the school before noon. It is not possible for our office staff to communicate all the special arrangements with each teacher at the end of the day. It is also very disruptive to classes.

## Out-of-Area Students

The Durham District School Board allows for students to attend a school other than the one in their own catchment area, provided there is space, and that permission is granted by the Principal and Area Superintendent.

Application for Out of Area status must be made each year and expires at the end of the current school year. Renewal of status for the 2020/2021 school year is now due and we ask that you submit your application by **March 12, 2020**. Those families who are here out of area, must reapply yearly as attendance at Coronation is not guaranteed.

## Success – student practice questions

Set high expectations and provide support to ensure all students and staff reach their full potential every year.
