Parent Engagement Evening – Coronation PS – in celebration of Sikh Heritage Month

Coronation PS is proud to celebrate Sikh Heritage Month with a special screening of the award winning film TIGER. Tiger is a ground-breaking film about a young Canadian boxer who fights injustice and gets his day in court and the ring. The movie is based on the true story of Pardeep Singh Nagra. Hollywood North magazine rates the movie 9.5/10 and says, "The whole film is filled with lots of meaning and shows a powerful positive message that Pardeep himself has been promoting for years...It's a great movie with great depth." The movie stars Mickey Rourke, Janel Parrish and others. In addition, Pardeep himself will be in attendance to answer questions and greet attendees. Child care is being provided for children 4-12 years of age. Pre-registration is required, follow this link: <http://bit.ly/tigercoronationps>

Staying Healthy – Reinforce with your child to:

- wash their hands before eating
- cough or sneeze into their sleeve
- avoid touching their face and clean hands before touching their eyes, nose and mouth
- do not share water bottles, straws, drinks or food
- staying home if they are ill

Lost and Found – Going, going gone.....

Once again, we have an overwhelming number of lost and found items. If your child is missing anything, please encourage them to visit our lost and found located in the front lobby. All items remaining will be donated to a local charity by Thursday of this week.

Cell Phones at School

Cell phones should not be brought outside or used in class (unless directed by the teacher). Please let your child know that they should be using the office phone if they need to communicate with you during the day (i.e. communicating a change of plans in pick up, needing shoes, extra clothing etc.). This ensures the safety/privacy of all of our students.

Out of Area Forms

Just a friendly reminder, out of area forms are **due March 12**. Please return to the office.

Police Liaison Officer

All schools are assigned a police liaison officer who works in collaboration with staff at the school to assist students in understanding the law and making appropriate decisions. Our liaison officer visits our school frequently so don't be alarmed when you see police cars in our driveway. Our officer will also be in our school parking lot next week ticketing anybody in the lot who isn't a DDSB employee.

Music News

A message from Lauren Dusty, Health & Safety Officer of the DDSB.

Health Canada has just released this guidance for schools in regards to covid-19, here is what they recommend for music programs:

Mouthpieces on musical instruments, especially on those used by more than one student/child, should be cleaned and disinfected as per standard practices recommended for the instrument. When feasible, students/children should have their own mouthpieces.

Here is the link to the full article: <https://www.canada.ca/en/public-health/services/diseases/2019-novel-coronavirus-infection/health-professionals/guidance-schools-childcare-programs.html#shr-pg0>

For our Junior & Intermediate students at Coronation, our Sterisol Mouthpiece Solution is made according to the manufacturer's instructions and put into spray bottles and a container for students to clean mouthpieces. Emphasis is being made in the Music Room to ensure that students are cleaning the mouthpieces properly & thoroughly before performance. Should you have a specific concerns about shared mouthpieces at our school, please don't hesitate to reach out to Mrs. Cameron.

For families of our Grade 2 & 3 students - a notice will be sent home next week about our plans to begin performance on the recorder and/or ukulele. Please look for this notice in the student envelopes / zipper pouches for more info.

Success – student practice questions

Set high expectations and provide support to ensure all students and staff reach their full potential every year.

Success

Primary Question

Sara has \$27 in a jar. She adds \$2 to the jar every week.

How much money will she have in the jar in 6 weeks?

- \$29
- \$37
- \$39
- \$41

How much larger is the volume of Prism M than that of Prism T?

- 5000 cm³
- 7000 cm³
- 12 000 cm³
- 17 000 cm³

Well-Being – Well-Being Texts We have in our School Library

Create safe, welcoming,
inclusive learning spaces
to promote well-being for
all students and staff

well-being

Keep an eye each week in the newsletters for a new book that can be found in our school library.

Featured Text:

The Way I Feel by Janan Cain

Feelings are neither good nor bad, they simply are. Kids need words to name their feelings, just as they need words to name foods, clothes, toys, people, and all other interesting things in their world. Children will learn useful words, and you will have many chances to open conversations about what's going on in her/his life.
