## Mission

We will provide continuous learning and improvement in order to ensure equitable experiences, opportunities and outcomes in student achievement and well-being for all.

As committed educators, we need to ensure the same proportional outcome, equitable experiences, and achievement levels for all students. Students who experience marginalization should, and will, perform proportionally the same as the total Coronation PS population.

*The Durham District School Board acknowledges that many Indigenous Nations have longstanding relationships, both historic and modern, with the territories upon which our school board and schools are located. Today, this area is home to many Indigenous peoples from across Turtle Island. We acknowledge that the Durham Region forms a part of the traditional and treaty territory of the Mississaugas of Scugog Island First Nation, the Mississauga Peoples and the treaty territory of the Chippewas of Georgina Island First Nation. It is on these ancestral and treaty lands that we teach, learn and live.*

# Message from Mr. Bedford and Ms. Mandal

Dear Families,

It looks like we are in for some warm days ahead. We hope that you are having a good weekend. Our staff are working hard to continue provided engaging lessons and activities for our students. We have a few fun activities planned for the end of June as well which we will be introducing soon. Stay tuned in our next newsletter.

A reminder that our next Domino's Pizza evening will be held on Wednesday, June 23rd from 4:00-8:00 p.m. We will be using the money raised to purchase outdoor volleyball nets and equipment for our students to use. We are also excited to announce that an outdoor classroom will be built at the back of our school over the summer months. We are looking forward to being able to utilize this space in the new school year.

We continue to work on our anti-black racism plan and have been engaging students in discussions and reading literature that provides multiple perspectives and allows for critical thinking. Staff will be looking at student work at our next staff meeting and coming up with precise next steps related to literacy and equity.

Have a great week ahead.

Sincerely,

Mr. Bedford and Mrs. Mandal

# Dates of Significance for the Week

## **Pride Month - June**

The first Pride celebration held in Toronto was just three years after the Stonewall Riots in New York in June 1969, an event that sparked the gay liberation movement, and was a fairly modest affair — a picnic on the Toronto Islands.

Within a few years, thousands were attending the annual Gay Pride parade, and by 2011 more than 1.2 million attended Pride Toronto. At WorldPride 2014 in Toronto, the fourth WorldPride and the first in North America, an even larger crowd gathered. A lot has happened in the years since the Stonewall Riots. The lesbian, gay, bisexual, transgender, queer and questioning (LGBTQ) community in Canada has made major strides toward mainstream acceptance and legal equality, with notable progress in health care, the right to adopt, and the right to marry. There is still a lot of work to do to ensure that people who are LGBTQ are respected and enjoy the same rights to equality and freedom as everyone else. We each have a part to play in making this happen.

## **Italian Heritage Month - June**

June 1st marks the beginning of Italian Heritage Month in Canada, where we honour and celebrate the exceptional contributions of Canadians of Italian origin in shaping our society.

Canada is home to more than 1.5 million Canadians of Italian descent, which makes it one of the largest Italian diasporas in the world. Italian Heritage Month is the perfect time to recognize and showcase the rich culture and heritage of Italian Canadians, as well as their ongoing contributions to building a stronger, vibrant and more inclusive Canada.

## **Portuguese History and Heritage Month - June**

Today marks the start of Portuguese Heritage Month in Canada, when we recognize the immense contributions Canadians of Portuguese origin have made to the growth and development of our country.

Canada is home to one of the biggest Portuguese diasporas in the world, with almost half a million people of Portuguese descent. This community hails from many different Portuguese regions and they have kept their individual traditions, language, and culture alive. Throughout our history, members of the Portuguese community, Luso-Canadians, have influenced every aspect of our national fabric and made Canada a stronger and better country.

## **Indigenous History and Heritage Month**

“National Indigenous History Month is a time to honour the contributions, sacrifices and advancements Indigenous Peoples’ have made throughout the creation of the country that is now called ‘Canada.’ This is also a time to reflect and remember those we have lost in the fight for acknowledgement of our Inherent, Treaty and Human Rights. This is also a time to celebrate and share our heritage, cultures, languages, songs and dance of the many First Nations, Inuit, and Métis people across this land. By sharing our history and traditions with Settler-Canadians, we develop shared respect and bond over this land that we now share.

## **June 7<sup>th</sup> – Pentecost (Eastern Orthodox)**
